

TABA

Tyler Area Builders Association

Why join TABA?

Join a trusted name.

A company's reputation and service are essential to gaining a consumer's trust. When you join TABA, you are joining an association that has represented the most trusted Tyler area housing professionals for 60 years. As a member, you can proudly display the TABA logo and demonstrate your commitment to excellence.

Three-in-One Membership.

When you join the Tyler Area Builders Association, you also become a member of the Texas Association of Builders, 10,000 members statewide and the National Association of Homebuilders, 140,000 nationwide.

Expand your professional network.

Membership provides you with exclusive opportunities to foster business relationships with TABA builder members. Opportunities include After Hours mixers, Builders Luncheons, General Membership Meetings, Golf Tournament, Speed Networking, and Bowling with Builders.

Save big with member discounts.

Take advantage of discount programs offered by your local, state and national associations on products and services that you use every day, from insurance to office supplies to General Motors vehicles.

Gain exposure.

TABA is a resource for consumers seeking trusted professionals.

TABA Professional Services Guide – At tylerareabuilders.com, consumers can search for a member by business activities. A printed copy of our Professional Services Guide is distributed to every member and to consumers seeking products or services.

Parade of Homes™ – Participate in TABA's premier event, showcasing your products and services to the public. Any signage displayed at a Parade™ home advertises only TABA professionals.

Home Products Show – Each year, thousands attend our Home Products Show seeking home improvement ideas and products. Participate as an exhibitor or sponsor and show them what you have to offer.

Do business with a member.

By joining TABA, you're connecting with an ally of trade professionals, including home builders, remodelers, developers, subcontractors, suppliers, manufacturers, financial institutions and many others. TABA professionals value membership and make a priority to "do business with a member".
